

Nursery and Reception Seasons and Senses Package

Lucy's Little Forest School explores the wilderness woodland and is the perfect place for bringing the seasons to life through our senses.

We'll use all our senses to investigate the wood, discovering the sights sounds, textures, smells and even tastes of the wood at each particular season.

We provide a rich environment roofed only by sky (and a few gems from our own store cupboard).

Come for a walk and open your eyes wider, lighten your step and listen. Make your body aware of what's around us. Take a deep breath in and smell the wood for the trees.....
