

## **Nursery and Reception Mini Shelter, A house in the woods Package**

Lucy's Little Forest School brings stories to life in the Wilderness Woods. Find your favourite feather and wonky sticks. There's everything you need to stimulate the imagination.

We provide a rich environment roofed only by sky (and a few gems from our own store cupboard).

The children can bring with them their favourite bear, dinosaur or woodland toy, or let us provide soft toy animals to share in small groups. Listen to a lovely story about a house built in the woods by a Moose, a Bear and two pigs with the help of the Beavers! We can then go for a walk around the secret path to collect materials to make a home for our little friends. Learn how to make a shelter, collect food, add a table and chair, a garden, swings and a slide!

Once finished we can share and take turns to visit each shelters, ask questions and allow children to talk about their house in the wood!
